## WHAT IS THE SCAC?

**South Carolina Association of Counties, chartered on June 22, 1967, is the only organization dedicated to statewide representation of county government in South Carolina. A nonpartisan, nonprofit organization with a full-time staff in Columbia, SCAC is governed by a 29-member Board of Directors selected by county officials at the Association's Annual Conference.**

**Counties have made tremendous progress since the enactment of the Home Rule Act in 1975. County government has also become more diverse in order to meet the increasing needs of its citizens. SCAC is dedicated to providing programs and services that equip county officials with the tools to gov-**

## CONFERENCES

■ SCAC provides many opportunities for county officials to meet and learn, among them:

★ Mid-Year Conference — Held in late winter in Columbia, this conference enables all county officials to become better informed about the Association's legislative program. The Association also hosts a reception for all members of the legislature during this conference.

★ Annual Conference — Held in August, this conference is open to all elected and appointed officials. The conference includes a business session, general session, workshops, group meetings, and exhibits of county products and services.

★ Legislative Conference — Held in December, this conference allows members of the Legislative Committee to discuss and adopt a legislative program for the upcoming year. The committee is composed of each council chairman along with the Association's Board of Directors.

## EDUCATION

■ The Association, in cooperation with the Joseph P. Riley Jr. Center for Livable Communities at the College of Charleston and the Strom Thurmond Institute at Clemson University, conducts the Institute of Government for County Officials (Level I, Level II, and Advanced levels).

This certificate program helps county officials enhance their skills and abilities. Courses are offered at the Annual and Mid-Year Conferences and at the County Council Coalition Meeting in the fall.

SCAC also sponsors a number of continuing education webcasts for county officials and employees throughout the year at no charge to counties. Within a few weeks after the live broadcast, county officials and employees are able to access the session as a video on demand via <http://www.SCCounties.org>.

## FINANCIAL SERVICES

■ SCAC offers a number of financial services to its member counties. The Association sponsors two self-funded insurance trusts to provide workers' compensation and property and liability coverage. The trusts are designed specifically to meet the unique needs of local governments.

SCAC also offers the following services through affiliate organizations: GovDeals internet auction of surplus assets; Tax Management Associates, Inc. property tax audit services; and competitive purchasing discounts through Forms and Supply, Inc. and the U.S. Communities purchasing cooperative.

## LEGAL ASSISTANCE

■ SCAC provides legal assistance to county governments by rendering legal opinions, preparing *amicus* briefs, drafting ordinances, and consulting with other county officials.

The Association provides support to counties involved in litigation that might affect other counties. It also sponsors the Local Government Attorneys' Institute, which provides six hours of continuing legal education for local government attorneys.

## SETOFF DEBT PROGRAM

■ South Carolina counties are able to collect delinquent emergency medical services debts, magistrate and family court fines, hospital debts, as well as other fees owed to the counties through SCAC's Setoff Debt Collection Program.

Debts are submitted through the Association to the S.C. Department of Revenue to be matched with income tax refunds. The debt is deducted from a refund and returned through SCAC to the claimant.

## LEGISLATIVE INFORMATION

■ The S.C. General Assembly convenes each January in Columbia and adjourns sine die in May. One in every four bills introduced affects county governments.

SCAC monitors each bill as it is introduced and keeps its members up-to-date on all legislative activity with a weekly *Friday Report*. The Association also dispatches Legislative Alerts and publishes *Acts That Affect Counties* each year.

## PUBLIC INFORMATION

■ SCAC publishes an annual *Directory of County Officials* listing addresses and telephone numbers of county offices and their elected and appointed officials. The Association also publishes *Carolina Counties Newsletter* five times a year to keep the Association's membership informed about legislation and various county news. *County Focus Magazine* is published four times a year and features articles on county trends, innovation, and other subjects of interest to county officials—including a "County Update" section.

## RESEARCH AND TECHNICAL ASSISTANCE

■ SCAC provides research and technical assistance in many areas to those counties that request it. The Association staff annually responds to hundreds of inquiries from county officials ranging from simple requests for a sample ordinance to more complex questions requiring considerable research. The Association also develops technical research bulletins and conducts surveys on a variety of subjects. Regular publications such as the *Wage and Salary Report*, *Home Rule Handbook*, *A Handbook for County Government*

*in South Carolina*, and *Case Law Affecting Local Government* are made available to county officials.

SCAC's website address is:

<http://www.SCCounties.org>

The site provides county officials with the latest information on SCAC programs, services and meetings as well as legislative information, research and survey results, and links to other local government resources.

## SOUTH CAROLINA ASSOCIATION OF COUNTIES

*Local Leaders. Statewide Strength.™*

### Need Information? Visit SCAC's Website at [www.SCCounties.org](http://www.SCCounties.org)

The South Carolina Association of Counties' website is the primary Internet resource for information about South Carolina's counties and issues affecting county government. The website is a dynamic tool that provides access to information about services such as education and training opportunities, research capabilities, and legal assistance.

Visitors to [SCCounties.org](http://www.SCCounties.org) will find conference schedules, legislative initiatives, and numerous Association publications. The website has information on key financial programs offered by SCAC, unique county-specific publications, legislative monitoring, and ad hoc surveys.

The site provides general information for all 46 counties—including contact information for county officials, links to county websites, and job postings. [SCCounties.org](http://www.SCCounties.org) is also a conduit to a number of other resources such as the National Association of Counties, the S.C. General Assembly, U.S. Congress, federal agencies, as well as national and state associations.

The SCAC staff remains ready to receive and assist with any special requests. To facilitate this communication, please refer to the SCAC staff list on page 6 or SCAC's website to obtain respective email addresses.

# COUNTY FOCUS

## *Advertise in County Focus Magazine ...*

... and join many other advertisers who already know that it's one of the best ways to sell products and services to South Carolina's 46 county governments. You'll be targeting more than 1,500 members of the South Carolina Association of Counties, the only organization dedicated to statewide representation of county government in South Carolina.

County officials in South Carolina read *County Focus*, because it's the only publication in the state that focuses on counties, legislation affecting counties, and successful county programs, projects and activities. This award-winning magazine also publishes articles by U.S. Senators and Congressmen concerning important issues facing county officials across the state.

### Advertising Deadlines:

- March 15 \_\_\_\_\_ Number 1 (Spring Issue)
- June 15 \_\_\_\_\_ Number 2 (Summer Issue)
- September 15 \_\_\_\_\_ Number 3 (Fall Issue)

# Dust Control - Road Stabilization

Liquid Calcium Chloride is an inexpensive and cost-effective alternative to paving and lasts far longer than any other materials used to control dust and stabilize unpaved roads. Among its many benefits, Calcium Chloride:

- Cuts grading costs as much as 50 percent
- Reduces the replacement cost of gravel and other materials by up to 80 percent
- Leads to a 60 percent reduction in compaction effort on loose granular surfaces
- Produces cost savings up to 50 percent
- Eliminates Dust

# Nothing Generates Interest in STEM Subjects Like a Celebrate Freedom Foundation SOaR™ Visit.

Pilots and aircraft technicians use static helicopter displays when talking to students.

Aviation industry representatives talk to students about opportunities in aviation and aerospace.

Celebrate Freedom Foundation's exciting Student Outreach and Recruitment (SOaR™) Program visits dozens of schools across the Southeastern U.S. every year with more than 10,000 students participating annually.

The Foundation is a nonprofit educational and historical 501(c)(3) corporation dedicated to educating children, especially those deemed to be underserved and to have special needs.

SOaR™, CFF's educational program, emphasizes the necessity of STEM subjects (Science, Technology, Engineering and Mathematics) in middle schools and high schools. It connects the classroom with real world jobs and career fields. The program's mission is to help build a workforce that can compete globally for jobs in the future, and to ensure America's technological advantage in a global environment. STEM subjects provide skills and competencies greatly needed here in the Southeast, across the nation and globally.

For more information about CFF's SOaR™ Program, which generates interest in STEM subjects like nothing else can, please contact:

**Celebrate Freedom Foundation**  
2833 Aviation Way  
West Columbia, S.C. 29170-5106  
(803) 708-4752  
[info@cff-soar.org](mailto:info@cff-soar.org)

SOaR™ is capable of using operational aircraft, such as *Maggie*, to generate interest in STEM subjects. *Maggie* always generates excitement whenever she participates in a SOaR™ visit.

## MADE IN THE SOUTH. PERFECTED IN SOUTH CAROLINA.

Our story is best told through the success of our customers. Since 1988, SC Power Team has been championing great stories through industry recruitment and by providing highly reliable, affordable power through South Carolina's twenty electric cooperatives. As partners in progress and prosperity, we continue to commit resources and incentives to help businesses thrive in South Carolina, and we play a key role in the creation of job and career opportunities for those we serve.

**SC POWERTEAM**  
 SCPowerTeam.com

**VOLVO CARS**  
 Volvo Cars' future SC factory will be the production home of the S60 Sedan and its flagship SUV the XC90, which will be exported globally through the Port of Charleston.

*Powered by Edisto Electric Cooperative*

**STOLL FIREPLACE INC.**  
 With the heart of a craftsman, Stoll Fireplace has been making fireplace products in South Carolina since 1969.

*Powered by Little River Electric Cooperative*

**GEECHIE BOY MILL**  
 Geechie Boy Mill makes products that are served in award-winning restaurants in Charleston, and to customers across the state and nationwide.

*Powered by Berkeley Electric Cooperative*

**MICHELIN**  
 Michelin North America selected Spartanburg County for its new \$270 million, 3.3 million square foot distribution center.

*Powered by Laurens Electric Cooperative*
