South Carolina Building Codes Council

CHAPTER 8

Notice of Drafting

The South Carolina Building Codes Council proposes to amend R.8-150(6)(F) regarding the limitation on reimbursement for continuing education to 12 hours per year for code enforcement officers.

Synopsis

The South Carolina Building Codes Council proposes to amend R.8-150(6)(F) regarding the limitation on reimbursement for continuing education to 12 hours per year for code enforcement officers. Specifically, the regulation, as recently amended, limits access to funding for training that exceeds 12 hours per year. The amendment is anticipated to modify the language to allow reimbursement for up to 24 hours under certain circumstances.

The regulation amendment will be discussed at the Building Code Council's business meeting scheduled for August 20, 2024. Written comments should be submitted to the Council prior to the meeting.
